McDonald's May Get Its 24-Foot Sign

Today's Brightener

In the language of flowers a petunia means, "Your presence soothes me."

Discuss Future Of Thrift Shop

Twenty members of the Antioch Mental Health Association met at the township library Jan. 10 to discuss the future of the thrift shop.

THE SHOP, located at the corner of Lake and Main streets in Antioch which the association had operated for nearly 10 years, was badly burned in the early hours of Dec. 13.

It was the main source of income for the group, proceeds given to help retarded children and young adults. Over the nearly 10 years \$97,308 was given to the retarded and other organizations working with mental health.

Association members unanimously agreed that the thrift shop should be reopened, but at this time the location and date are uncertain. A clean-up day was held last Saturday.

PAT LORENZ, president, said that she has had many calls and offers to help from the community and other organizations.

Thelma Anderson, cotillion chairman, reported that plans are progressing for the April 30 event, to be held at the Marriott in Lincolnshire. Music will be provided by the Steve Swedish Orchestra. Frances LaPlant is co-chairman; Dee Lewis, ticket chairman; and Barbara Dunham, publicity chairman.

Health Clinic Next Week

A combined immunization, hearing and vision screening clinic for children will be held Wednesday, Jan. 26, at St. Peter's School, 559 Elizabeth Ave., Antioch. The Lake County Health Department will conduct the clinic from 9 a.m. to 12 noon.

THIS IS AN opportunity to get a child immunized against polio, DPT, (diphtheria, whooping cough, tetanus), measles, mumps, rubella (German measles) and to insure

their hearing and vision is normal. All pre-school and school age children are welcome. There is no charge.

APPOINTMENTS ARE NOT necessary; however, any past immunization should be brought to help determine the child's immunization needs.

For further information contact the Lake County Health Department, 3010 Grand Ave., Waukegan. 689-6761.

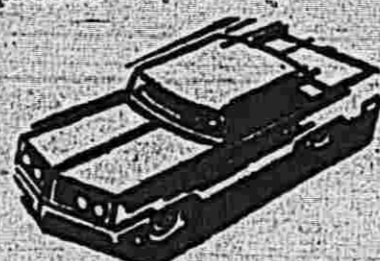

Road Salt Supply Low

Sup. of public works Walter Shepard announced Tuesday that Antioch is currently unable to get more road salt because of frozen rivers and depleted Morton Salt Co. stockpiles.

However, the village presently has 80 tons on hand.

Until further notice, salting will only be done at intersections, curbs and hills. In addition, the entire downtown area (Main, Orchard,

Broadway and Lake streets) will be solidly spread.

THE LEADERSHIP of the Antioch Chamber of Commerce and Industry changed hands last Saturday at the annual installation dinner-dance at Lorenz's Smart Country House. Jack Siegmeier (left), president during 1976, turned over the reins to the 1977 president Richard Kirkpatrick. (Another picture on page 2.)

One-Liner

Even if you are on the right track, you'll get run over if you just sit there.

2 Developers Are Seeking Annexation

Among the topics before the Antioch public works committee Monday night were three new developments.

TWO DEVELOPERS talked to the board about utilities systems in the northeast section of the village. Both are hoping for eventual annexation.

One parcel includes 20 acres immediately east of Oakwood Knolls subdivision and north of North Ave.

The other land in question is 150 acres between North Ave. and Little Silver Lake Drive, east of Longview Drive.

ANOTHER DEVELOPER came with questions about utilities on a two and one-half acre parcel in the circle of Highview Drive, east of the Antioch Upper Grade School.

A 24-unit apartment complex is proposed for the site. Discussion Monday centered on subdivision regulations on streets, curbs, gutters and street lights.

License Deadline

Midnight, Tuesday, Feb. 15 is the revised deadline for display of 1977 vehicle license plates.

The secretary of state's office announced the extension of the

deadline which had been set at Dec. 31.

To try when there is little hope is to risk failure. Not to try at all is to guarantee it.

Trustees Vote 3-2 in Favor

By BETSY ROSSEN

Antioch village trustees, meeting Monday to discuss planning and zoning committee business, have now decided to recommend approval of the McDonald's restaurant request for variance to the sign ordinance.

The vote was 3-2 for the non-conforming 24-foot sign on the front of the property, facing Orchard St. On Jan. 5 the committee disapproved of the variance, 1-4.

Trustees Ron Cunningham and Arnie Weber joined Mike Haley on the affirmative side. William Seemann and Irv Walsh remained opposed; newly appointed Judy Phillips did not vote because she believes she has already had a vote as a plan commission member.

THE COMMITTEE will recommend that the village board issue a variance permitting the McDonald's sign upon receipt of certification that the restaurant will comply with the sign ordinance within five years.

The next village board meeting is set for 8 p.m., Tuesday, Jan. 25.

The restaurant's 189-foot frontage is 111 feet short of the minimum for free-standing signs. All present non-conforming signs must be removed by mid-1981, according to the ordinance.

AT 7 P.M. TONIGHT (Wednesday) a special committee, appointed by Mayor Wilton at the last village board meeting, will review the ordinance.

Representing the village board will be Wilton, Haley and planning and zoning chairman Weber. Members also include plan commission members (Ken Wierschem and Mike Teeley) and zoning board of appeals members (Don Amundsen and Jim Koppa).

RESTAURANT ATTORNEY Adeline Geo-Karis expressed her clients' views that the ordinance discriminates against businesses with little frontage.

McDonald's owners also feel that other businesses will contest the legislation within five years.

The Town Crier

WOULD SOMEONE PLEASE explain this one to us?

Singer Claudine Longet was found guilty in the shooting death of her lover, professional skier Vladimir "Spider" Sabich.

Sentencing will be Jan. 31 and a deputy district attorney says he expects the judge to sentence her to 30 to 60 days in the jail at Aspen, Colo.

Oh well, what the heck, she only killed a guy.

THE ROTARY CLUB of Antioch enjoyed an outstanding program last week. It was given by one of the club's new members, Art Neckerman. With the help of slides he was able to show pewter figurines that his company produces. The craftsmanship and minute detail was unbelievable.

A DATE TO REMEMBER: Tuesday, Mar. 8,

the fourth annual Ducks Unlimited Dinner at St. Peter's social center, 6 p.m.

Coming up even sooner is the annual Ice Fishin' Derby sponsored by the Northern Illinois Conservation Club and the 885 Club of Antioch. There will be fishing and other events on the Channel Lake ice Saturday and Sunday, Feb. 12 and 13, from 9 a.m. to 4 p.m. The grand prize is a Zenith family home entertainment center. Another prize: a Las Vegas trip for two.

THE NEW YEAR brought some good news in the form of lower gas prices for our area.

According to the latest Chicago Motor Club fuel gauge report, the average price of a gallon of regular gas was down by more than a penny from 63.5 cents at the end of 1976 to the present 62.2 cents. Premium dropped almost a penny, averaging 68 cents (68.9 cents, last survey). The average price of a gallon of unleaded gas also dropped by half-a-cent to 65.8 cents (66.5 cents, last survey).

Average prices a year ago were: regular 60.4 cents, premium 65.3 cents.

School To Honor Teachers

Antioch High's veteran school teachers will be honored at 2:30 p.m. next Monday at a reception tea.

Special awards will be given to Jeanette Tulumello, who has given the school 30 years of service, and Carol Maplethorpe, who has taught at Antioch High for 25 years.

More than 20 other employees of the school will receive 15-year plaques.

The event will be held in the high school commons. Superintendent Warren P. Polley said that friends, relatives and spouses are welcome to attend. School board member Bette Meyer is chairman of the event along with Robert Lindblad, board president.

Congress Quietly Raises Its Pay

By RONALD REAGAN

"The fog comes on little cat feet," Carl Sandburg once wrote, and that's about the way Congress' big pay raise will come in. Very quietly.

It's been nearly two years since Congress attached a provision for automatic cost-of-living pay increases for its members to an obscure postal worker's safety bill. That was all done very quietly, too. But, in the midst of last year's election campaign, Congressional nerves were sensitive to voter criticism, so the lawmakers voted to bypass their raise for 1976.

Criticism of the bill has focused, right along, more on the stealth by which it was passed and on its automatic increase feature than on the question of whether Congressmen deserve occasional pay raises.

Former Berkeley, Calif., Mayor Wallace Johnson, who has waged an energetic campaign against the 1975 bill (including a run in New Hampshire's unique vice presidential primary to dramatize his point), sums up the criticism this way:

'FAVORED STATUS'

"We are not opposed to salary adjustments for legislators ... in accordance with the historical precedent of adequate public discussion, and if enacted by their predecessors, not themselves. What we are opposed to is legislators raising their own salaries during their current term; representatives using maneuver instead of candor with their constituents; and policy-makers legislating themselves, with respect to inflation, into a favored status not shared by most other citizens."

In November, Johnson was invited to testify before the quadrennial Commission on Executive, Legislative and Judicial Salaries, chaired by former Secretary of Commerce Peter G. Peterson.

Johnson proposed to the Commission that its report to President Ford recommend an amendment to the Salary Act deleting consideration of legislative salaries from the future Commission reports.

Including legislative salaries, he argued, violates the traditional separation of powers. He cites Article 1, Section 1 of the U.S. Constitution which says that all legislative powers are to be vested in a two-house Congress. Yet, the 1975 Salary Act specifies that only one house needs to disapprove a presidential decision on the legislative salaries.

Representative Larry Pressler (R.-S.D.) even has a case pending before the Supreme Court asking that the Salary Act be declared unconstitutional.

'THANKS FOR COMING'

When Johnson presented his recommendations to the Commission he took only eight minutes of his allotted 20, allowing plenty of time for questions and discussion. He got nothing, except "thanks for coming." Furthermore, the national media didn't say "boo" about his testimony. But when the Commission made its final report in December, including a recommendation of a Congressional pay boost from \$44,600 to \$57,500 a

Protecting Our Environment

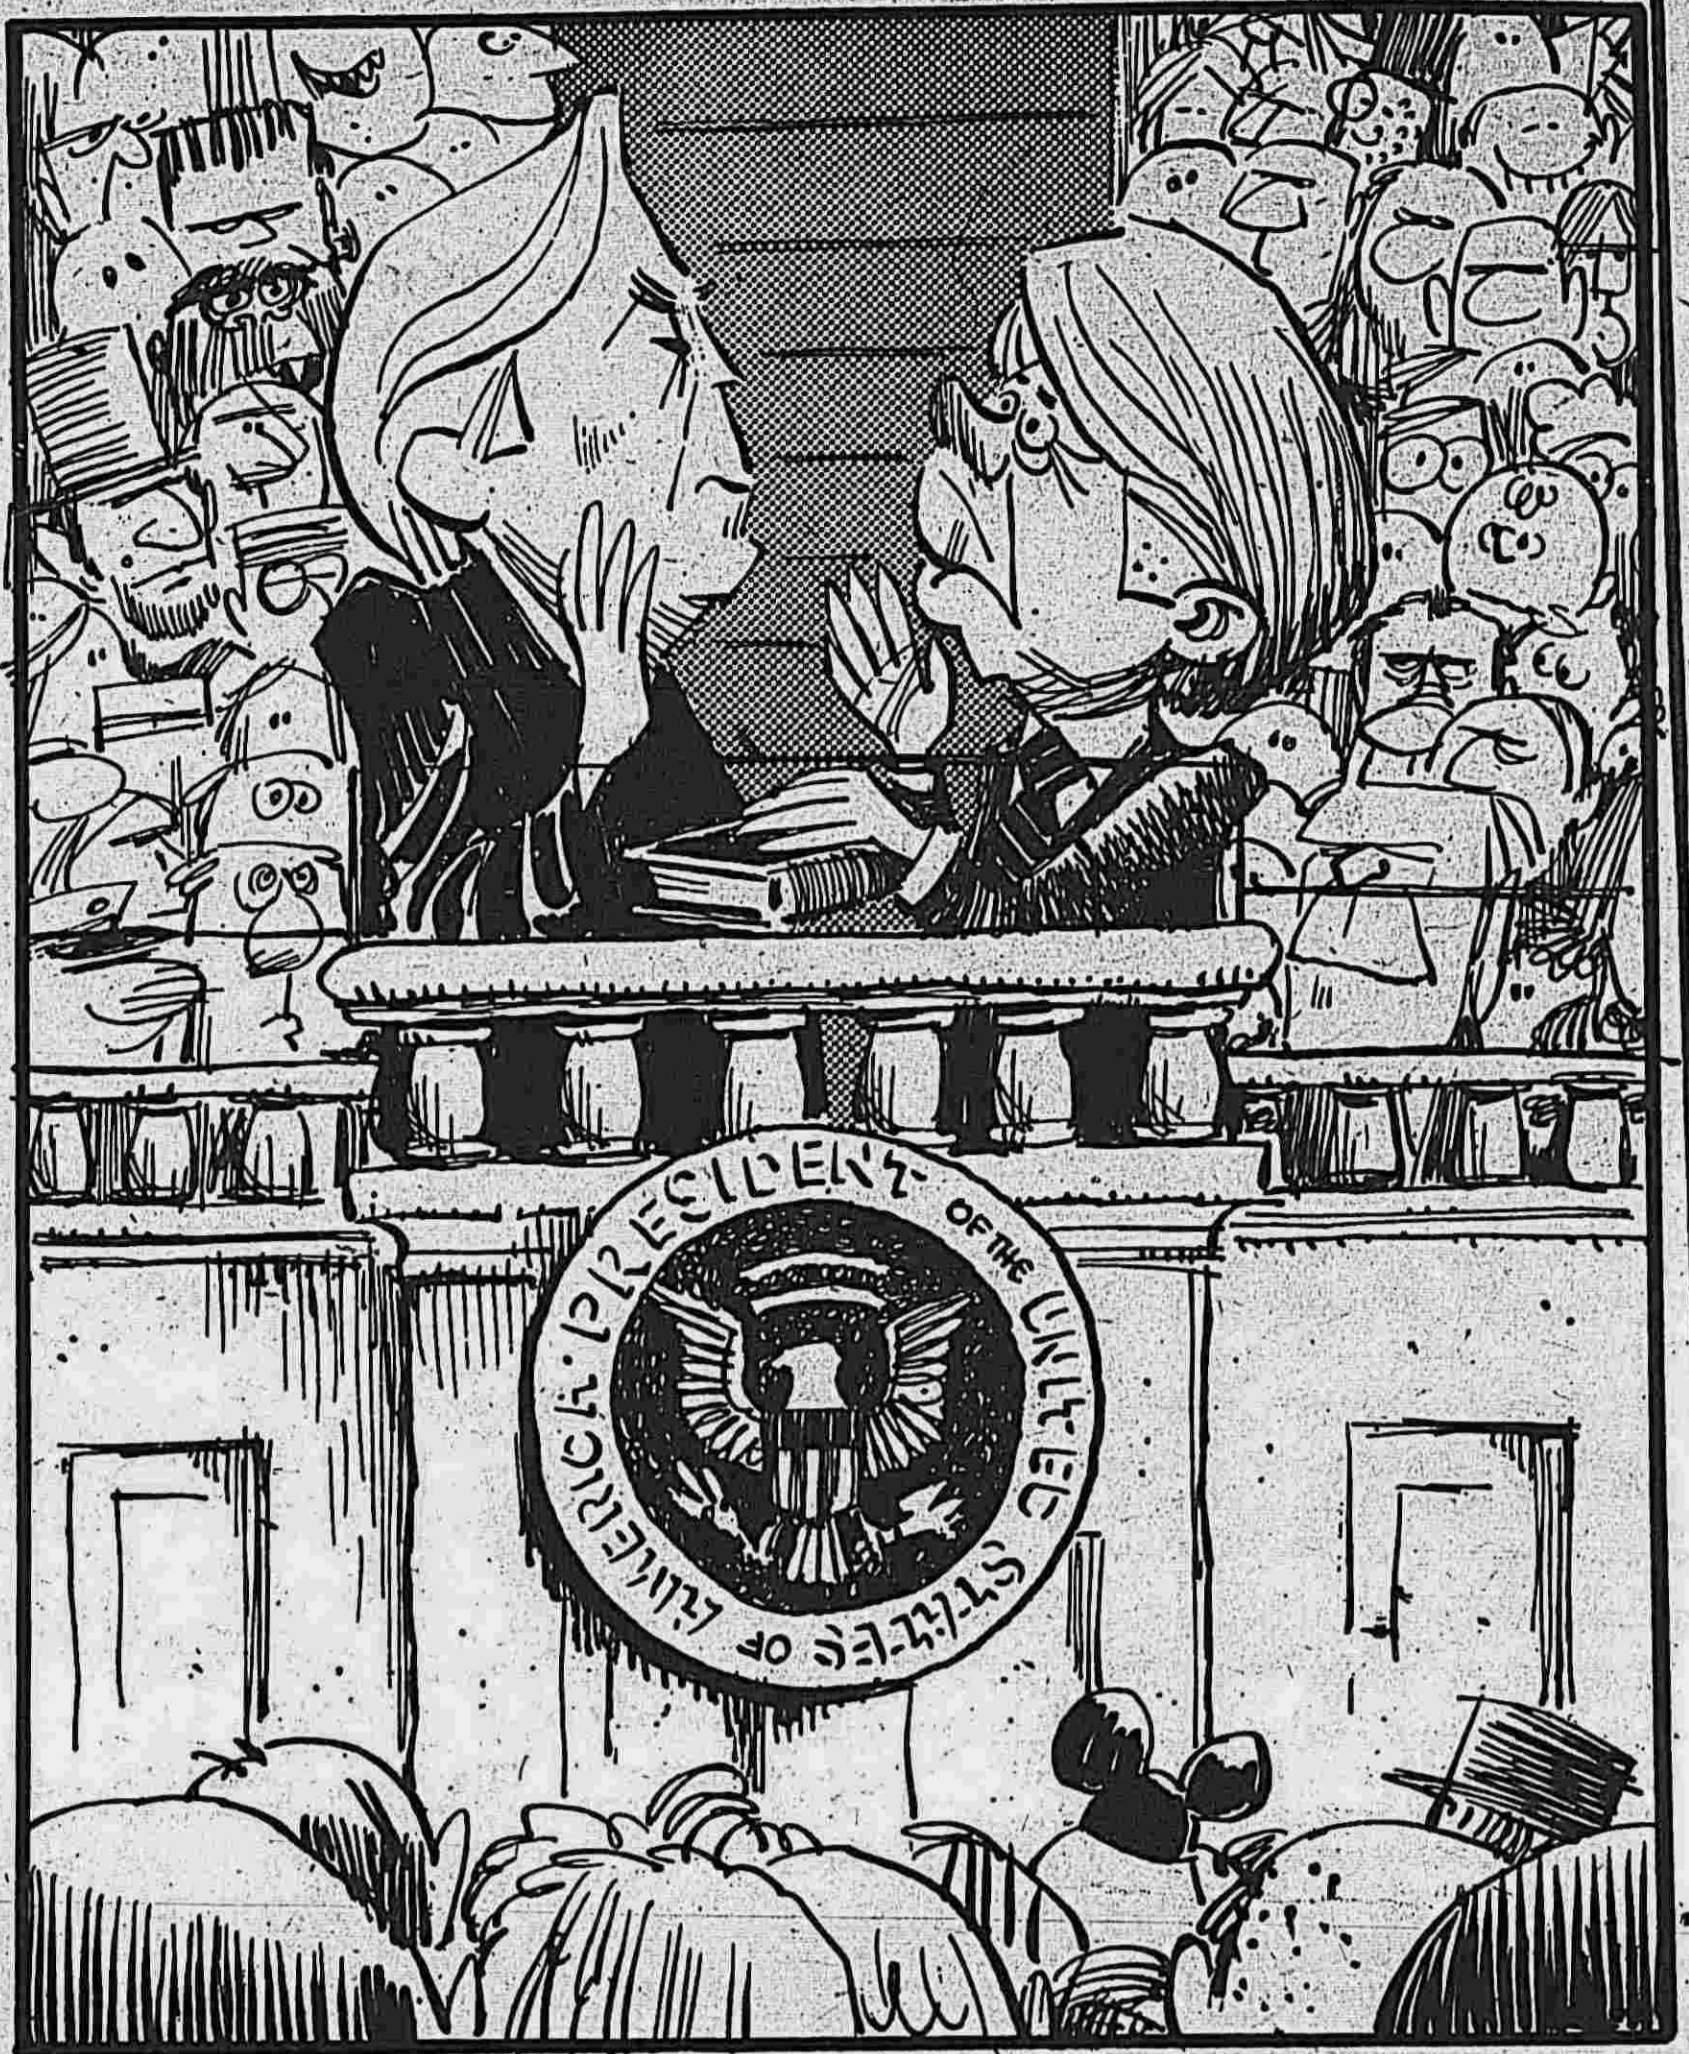

News Of Progress

Your health may be protected better in the future because of steps being taken by government and industry.

Recently, Congress passed a complex new act giving the U.S. Environmental Protection Agency the added responsibility of requiring that substances potentially toxic to people or to the environment be tested, regulated and, where necessary, banned. The usual assumption is that this "toxic substances" act refers only to chemical operations. However, it covers all potentially toxic substances in manufacturing, distribution, processing, use and disposal.

One company that supports the new legislation is Union Carbide. It was among industry leaders active in contributing experience and judgment to lawmakers and their staffs during the act's formative stages. In fact, Union Carbide was one of the first in industry to do something about potential safety or health hazards of chemicals. Going back to 1937 when it was established, Union Carbide has supported a chemical hygiene fellowship at Mellon Institute in Pittsburgh, where the safety of some 3,000 chemicals has been evaluated.

"...Unless, Of Course...However..."

(Editor's note: Don't miss the faces in the crowd in the cartoon above. Some of our friends are there, including Mr. Peanut.)

year, there was plenty of coverage.

Since then, some media pundits have claimed that the pay raise will help attract better qualified people into public life. Nonsense. That argument was used a decade ago in California when a "full-time legislature" (pay raise) measure was on the ballot. It passed, and the result has been a record number of bills, less attention paid to them than before, burgeoning staffs, increased operating costs, a blizzard of paper and no noticeable improvement in either the quality of the legislators or the legislation.

The fact is that as long as there are Congresses and legislatures, there are going to be talented - and ambitious - men and women fighting to get seats in them, even if the pay were lower than it is today.

Now, Gerald Ford is holding the bag. It is up to him to make a decision about the Commission's recommendation on Congressional salaries. The betting is that his old school ties with Congress will lead him to be sympathetic and go for the increase. Then, under the terms of the bill, if neither house disapproves the Presidential decision within 30 days, it automatically becomes law. Can you imagine them disapproving a pay raise? By November, 1978, a voter will have to have had a long memory to know how his Congressmen stood on the matter.

NI-Gas Hits Record Sendout

January's sub-zero temperatures have resulted in an all-time record for gas deliveries, Northern Illinois Gas Company reports.

At 12 noon Tuesday, Jan. 11, the utility said its sendout had exceeded 3.4 billion cubic feet for the previous 24 hours. That total surpassed the old record of 3.3 bcf set Jan. 8, 1976.

THE UTILITY POINTED out that because of the continued cold weather and higher energy costs, customers can expect a 45 to 50 percent increase in their winter gas bills over last year. This assumes, however, that temperatures will now return to normal.

NI-Gas said that it does not anticipate any problem in meeting the energy requirements of its customers should the severe weather persist, barring any federally forced allocation of the company's contracted gas to others.

Northern Illinois Gas, the principal subsidiary of NICOR Inc., serves an estimated 1.3 million customers in a 17,000 square mile area in the northern third of Illinois, generally outside Chicago.

Teacher From Germany Compares 2 Nations

What are some of the differences between the United States and Germany?

Klaus Fritsch, a 29-year-old teacher from Germany, discussed some of the differences when he visited Antioch High School last week.

"Everything's bigger here," he said. "The houses are bigger, the skyscrapers are higher, and the people consume a lot more quick food ... junk food, you might call it."

THERE'S QUITE a difference in transportation, too.

Since gasoline costs \$1.50 a gallon in Germany, people driver smaller cars or use the federal railroad system to a great extent.

Klaus is living in Park Ridge, Ill., for a year. He is on a Fulbright Exchange Program, teaching German at St. Scholastica High School.

Back in Germany he teaches English, social studies, history and political science.

KLAUS WAS INVITED to Antioch by Warren P. Polley, superintendent of the high school district. Mr. Polley's daughter-in-law, Monica, is teaching this year in Klaus' hometown of Giessen, population 70,000.

Klaus said he was impressed with the educational facilities at Antioch High School and also the teaching staff, because of its mixture of both younger and older teachers.

"That's a very good situation," he said.

HE MENTIONED THAT one of the basic

differences between the two countries is that Germany doesn't have racial problems.

"We don't have minorities in general," he said. "But we're familiar with Americans because your troops over there are quite a part of our life."

"We also have things like McDonald's restaurants," he said, "but not in such quantity as you have them. And the freezers in our grocery stores have pizzas, but not nearly as many different kinds of pizza as yours do."

Klaus said he likes American students very much, because they have excellent senses of humor.

The Time Machine

70 YEARS AGO: JAN. 10, 1907

The Royal Neighbors of Olson Camp held the first meeting of the new year on Tuesday evening. The officers elected for the ensuing year were installed and one new application for membership was read.

Mrs. Mary VanPatten, the retiring oracle, was presented with a handsome cracker jar, a silver meat fork and a china cup and saucer as tokens of appreciation for the service rendered during the past two years. After a social hour, dainty refreshments were served.

The highest score made by the ladies at the bowling alley is 136. That score is held by Miss Ada Lux.

50 YEARS AGO: JAN. 20, 1927

Lewis A. Paddock, an aged and highly respected pioneer resident of this locality, passed away at the home of his daughter in Chicago on Friday after an illness of short duration. Mr. Paddock, 88, had been in his usual good health until a few days before he died, being confined to his bed only one day. The cause of his death is being a general breakdown due to a complication of diseases common to old age.

State Highway number 59, the Fox Lake-Antioch section of 4.55 miles, is to cost \$107,010.29, or approximately \$23,000 per mile, according to the bid placed with the state highway department by the F.C. Feutz Company of Rochester, Ind. The Lake County piece to be paved will connect with Grand avenue at Lehman's corners and extend north to Antioch, connecting with route number 21.

20 YEARS AGO: JAN. 17, 1957

Bill Keulman gained the distinction last Thursday of bowling a 300 game. This perfect score, which occurs once in about 200,000 games, took place on alley 12 at the Antioch Recreation and became the first 300 game to be bowled in the new alleys. Henry Pape and Jack Smith bowled perfect games in open bowling at the old lanes of Antioch Recreation and John Kriesant bowled a 300 game during league play on the old alleys.

The new grade school building to be built at the Oakland site, corner of Loon Lake and Deep Lake rds., will relieve the serious overcrowding at the Antioch Grade School. The new school can eliminate the use of the Scout House as a classroom and also the obsolete building at Main and Depot street. Over 216 children come by bus at the present time.

10 YEARS AGO: JAN. 19, 1967

The temperature sank to 16 below zero in Antioch Wednesday morning, the lowest temperature of the winter and this year.

Plans to send the Antioch Grade School band on a trip to the Montreal Exposition next summer received full approval of the Board of Education Tuesday night.

Wed in Zion

In an afternoon ceremony Dec. 4, Linda Meyer became the bride of Michael Stried.

She is the daughter of Mr. and Mrs. Warren Sheehan, Lake Villa; he is the son of Mr. and Mrs. Robert Stried, Zion.

REV. ROGER Otterson solemnized the vows at the Christian Catholic Church in Zion. A reception followed in the church's fellowship hall.

Attending the couple were Betty Ann Hoelters of Lake Villa as maid of honor and Gary Thomas of

DeKalb as best man. Ushers were Gary Eppers and Doug Davis, both of Zion.

Serving as flower girl was Kari Stried. Peter Meyer was the ring bearer.

LINDA IS a graduate of Antioch Community High School; Michael, a graduate of Zion-Benton High School. He is employed by the Zion fire department.

Following a Florida honeymoon, the new Mr. and Mrs. Stried live in Zion.

MR. & MRS. MICHAEL STRIED

Auxiliary Aids Youth

In conjunction with the American Legion's theme "A Fair Deal for Every Child," the Legion auxiliary believes all children should have a fair start in life and is working to help bring that goal to fulfillment through activities to aid needy children of war veterans and to improve conditions for all children.

Mrs. Jack Effinger, children and youth chairman of Antioch unit No. 748, says that

among the major points being emphasized in the children and youth program this year will be immunization, home and fire safety, alcohol and drug abuse and temporary financial assistance.

IN THE PAST several months, the local unit has sent contributions to the department's children and youth funds in order to provide Christmas gifts for children in Illinois' institutions; support the Girl Scout

group at the Illinois Soldiers' and Sailors' Children's School in Normal; and to present citizenship awards and scholarships.

A donation has also been sent to The American Legion Child Welfare Foundation to help in the bestowing of grants to institutions and doctors doing research work which will eventually lead to the discovery of cures for many children's diseases.

"Enthusiasm is the most beautiful word on earth."
Christian Morgenstern

Double-Check Return To Prevent Errors

Like cheese or a fine wine, a tax return should be "cultivated" before it is mailed to the Internal Revenue Service.

Errors can slow processing and delay any refund due. The taxpayer who carefully checks the return, then double-checks it, is more likely to spot any careless errors.

Mistakes in arithmetic, use of the wrong column in the tax table or schedule, failure to sign the return or attach all the necessary documents are some of the more common errors that slow processing.

Use of the coded envelope and peel-off label, provided in the tax forms package mailed to the taxpayer at the end of the year, also minimizes errors, the IRS said.

Free Tax Pamphlets

From alimony payments to travel expenses, there's a free publication from the Internal Revenue Service to answer just about any question a taxpayer may have.

More than 70 publications on various tax subjects may be obtained at no charge from the IRS. Publications covering some of the more common tax

topics, such as, dependents and exemptions, charitable contributions, and tax benefits for older Americans, are listed in the back of the tax forms package mailed to taxpayers at the end of the year.

Publications may be ordered by completing the blank form in the tax package, or by contacting the IRS.

Pausing...

Did They Say 'Squirrel-Proof'?

By BETSY ROSSEN

Our family has a yen for offbeat presents. For instance, this past Christmas I made my mom a wren house. It was one in a series purchased with a little nest egg I have.

BEFORE CHRISTMAS 1975 she suggested I get her a squirrel-proof birdfeeder.

Who are they kidding with that term "squirrel-proof"?—certainly not the bushy-tailed wonders around our house.

My dad attached the feeder to a pole in the backyard, a safe distance from any trees, bushes or shrubs or utility wires. At least it would make seed-stealing more of a challenge for the squirrels.

I NEGLECTED to mention that the new feeder's first location was in a small tree: we naively had assumed that the beak-sized holes were not paw-sized.

When Joe Bushy saw that a birdfeeder had suddenly appeared on a pole, he sat back to think it over. Glancing from the tree to the pole, he tried to

reason how the thing had fallen from the tree and another grown so quickly a few yards away.

IT TOOK BUT a few minutes for him to scale the pole and dig greedily into the feed. Time for the third plan of attack had come.

A brainstorming session in the Rossen roost produced the idea of greasing the pole. Soon my dad was back in the yard, confidently coating the metal with shortening.

Joe made his usual flying leap at the pole, then slowly slid to the ground. Horrified, he stared at his paws, hardly daring to believe the yucky substance covered all his fur.

Ever see a squirrel gingerly hop away? He suffered a momentary setback in the skirmish, but soon was back.

LATER THAT DAY he doggedly (or is it squirreledly?) returned to the battle. With a running start he scurried up the pole, determined to avert a second defeat.

Within inches of the precious seed, he again slid, clutching the pole. With grease-covered pride, he sulked off. It would be a few days before the shortening would harden—then he easily climbed to victory.

SO MUCH for the presents I give. Some of them are really for the birds. Or, rather, for the squirrels.

Empty seats outnumber full seats 4 to 1.

That's the way it is during rush hour. Four times as many empty seats in cars as full ones. Think about that while you're sitting in traffic.

Share the ride with a friend. It sure beats driving alone.

4-H NEWS

The 4-H Sequoit Warriors held a business meeting Thursday, Jan. 12 at the First National Bank of Antioch.

Talks and demonstrations were given by Laura Miller, dog care; Mike Fessel, electricity and electric wiring; Laura Kruczak, rabbit care.

The next meeting, 8 p.m., Thursday, Feb. 3, will welcome this year's international exchange person. The public is invited to Paula Gourley's presentation about her trip to Europe.

The Antioch Adventurer's 4-H Club held their monthly meeting Jan. 5.

Demonstrations and talks were: John Cozadd, tying knots and splicing; Susan Meuter, hiking and camping in Michigan; Violet Meuter and Karen Kirschke, self defense; Patti Gross, the 4-H conference in Champaign.

Members then planned the club tour and recreation night.

"Good nonsense is good sense in disguise."
Josh Billings

Neil Simon Comedy at PM&L

PM&L's next production is Neil Simon's "The Sunshine Boys," to be presented Feb. 12, 18, 19, 25 and 26.

THE POPULAR COMEDY is directed by Don Beveroth. Tom Hausman of Antioch, as Al Lewis, and Don Beveroth of Paddock Lake, as Willie Clark, head the cast.

They are supported by Larry Bersie of Wildwood as Ben Silverman and Pam Guardi of Waukegan as Nursie. Also featured are Antioch residents Ricky Apostol as the registered nurse,

Richard Dyer as the television director, Ray Lewis as Eddie and Hank Apostol as the patient.

THE THEATRE is located at 877 Main St., Antioch. Curtain time is 8:30 p.m.
For reservations call 395-3055.

Women of the Moose

By STEPHANIE POLSON

Twenty-eight co-workers attended the Jan. 6 child care committee chapter night. Senior regent Norma opened the meeting and proceeded with the enrollment of two new members: Marilyn Vynalek (sponsor Betty Dahlke, protom Estelle Lewandowske) and Carol Urbanske (sponsor Judith Kelly, protom Pat Sperling).

HOSPITALITY CHAIRMAN Elsie Toman reported that cards were sent to Kim Lowe in Victory Memorial Hospital. Sympathy cards were sent to Mr. and Mrs. Ed Lewandowske, Mr. and Mrs. Harvey Gehris, and Mr. and Mrs. Joseph Gutowski. It was reported that George Schroeder was in the hospital. Congratulations were extended to Mr. and Mrs. Wesley Schulmeister on the birth of their son on Dec. 30.

Jerri Polson was escorted to the membership heart to place the name of the candidate who was enrolled last month.

DOROTHY OTTENSTROER will be accepting donations from the co-workers for the chapter Valentine's Day Dance. This will help defray the expenses from the chapter. Friendship dues are due as of Jan. 1.

Thursday, Jan. 20 is a business meeting and plant sale. Jan. 29 is the date for the Candlelite Bowl at Antioch Bowl at 7 p.m.

Share-the-pot was won by Judith Kelly; Patricia Lepsi's name was drawn in the attendance drawing.

"This is getting monotonous! Can't I get some sort of a season ticket?"

Happenings

THE FUN, FOOD and Friendship Antioch Achievers braved the cold Jan. 12 to take square dancing lessons from Bill Wild.

Following lunch Paul Kinast on the accordion

and Virgil Necher on drums provided waltzes, fox trots and polkas for dancing.

The next event scheduled is a square dance from 10 a.m. to 12 noon, Friday, Jan. 21 at the Scout House.

FANCY THAT!

The answer to tall buildings was found by William Le Baron Jenney, who designed in 1883 the first skyscraper, The Home Insurance Building in Chicago, 10 stories high. It is said he got the idea for erecting a building

on metal framework when he saw a book resting on his wife's birdcage!

AARP NEWS

On Tuesday, Jan. 25 the American Association of Retired Persons (AARP) Antioch area chapter will hold a social, featuring cards, games and a luncheon (served by Marvel Larsen and her co-workers). A ticket is required for the event. Call the program chairman at 395-6746 for more

information. AARP meets at 12 noon on the second and fourth Tuesday of the month in Father Frawley Hall, St. Peter's Church, 557 Lake St., Antioch.

Names in the NEWS

CARMEL HIGH SCHOOL for Boys, Mundein, has announced the honor roll for the second quarter and first semester. Representing Antioch was Mark Telinski on the second quarter first honors list and first semester special honors list. Lake Villa students receiving second quarter commendation were: Gary DeWald, first honors; Craig Nelson, David Nyre and Steven Toporek, second honors. The only change in the first semester honors for Lake Villa was the addition of Joseph Von Bruenchenhein to the second honors list. On the second honors list from Lindenhurst for both sessions was Mark Wolff. He was joined by Richard Panek on the first semester list.

DOMESTIC & INTERNATIONAL
ABC's of Travel

By BARB CORBIN

For an emergency, carry along (or pack) a few plastic trash bags. Preferable are the large 20-gallon size, which are light as a feather, but durable and ideal travel stop-gaps.

THEY CAN BE USED in an emergency to tote several parcels in a single bag when boarding planes. In the event of a sudden downpour, they are easily converted to temporary ponchos. They also offer added insulation for liquid fragiles being packed into regular luggage.

If you are anticipating a shopping spree, it is wise to bring along heavy cord, something which is hard to come by in many countries. With the use of plastic bags, it allows organizing many parcels into one.

The best part is that these items weigh almost nothing and can save a trip.

YOU ALSO MIGHT find taking a bar of your own soap a great help. In some countries, the soap takes off not only the dirt but also your skin.

If you have plenty of weight to spare, it might be wise to take along one collapsible suitcase in which to put all your purchases. This sure makes it easier going through customs and the customs people seem to cooperate more with you as a result.

MANY COUNTRIES have rules and regulations as to what you can bring into the country in addition to what you can take out.

The best advice is to be sure to check with your local travel agent prior to departure. This can save you dollars and unnecessary vacation headaches.

Don't be afraid to ask questions: that is why travel agents are in business--there is no product, only a service.

Rest Break Needs
Vary Among Jobs

The right kind of rest break can affect your on-the-job safety, report University of Cincinnati researchers.

Their studies indicate that people who do physical labor should relax as completely as possible in order to get the most benefit from a rest period.

Those whose work involves mental strain should engage in some kind of mild physical activity. Relaxing completely makes it difficult to return to work, they state.

BARB CORBIN

New Park Programs Begin,
Not Too Late to Join Fun

New programs of the Antioch park and recreation commission have started, but it is not too late to join.

PRE-SCHOOL WILL BE HELD Tuesdays and Thursdays from 9:30 to 11:30 a.m. now through Feb. 24 at the Scout House. The fee is \$6 for children ages 3 through 5.

The boys' basketball season has started and will be held each Tuesday through Mar. 29 from 6:30 to 8 p.m. at the Antioch Lower Grade School. The program is open for boys in grades 4 through 6; cost is \$2.

WOMEN'S VOLLEYBALL AT

OAKLAND Grade School will be held from 7 to 9 p.m., Feb. 8 through May 3. The Program, open to women 16 and older, will not meet the third Tuesday of each month. Fee is \$1.

The Upper Grade is the place for the recreation program for men 16 and older. The program will be held each Tuesday from 7:15 to 9 p.m., Feb. 8 through Apr. 12. Fee is \$2.

THE PROGRAMS ARE OPEN to all Antioch village and township residents. Registration is by phone (395-2160) or at the first meeting of each program.

Tax Forms Due for Farming, Fishing

While April 15th is the filing deadline for most people, farmers and people engaged in commercial fishing must file by March 1st if they did not submit a declaration of estimated tax for the final quarter of 1976. The declaration of estimated tax was due January 15, 1977.

The IRS points out that taxpayers subject to the above requirements are those

who earned two-thirds of their gross income through farming or fishing.

Taxpayers who may be affected by these special filing requirements can obtain more information by ordering free Publications 225, "Farmer's Tax Guide," 595, "Tax Guide for Commercial Fishermen," and 505, "Tax Withholding and Declaration of Estimated Tax, from the IRS.

Astro-
Analysis

By Sonia

ARIES [March 21-April 19] - Resist the temptation to make abrupt changes involving working conditions. Try to remain level headed and look at things clearly.

TAURUS [April 20-May 20] - Keep your goals within reach so that achievements can be made easily. Use your own know-how and experience to get things done rather than depending on others.

GEMINI [May 21-June 21] - Be willing to accept some temporary setbacks in current plans. Use the week to catch up on a backlog of unfinished projects.

CANCER [June 22-July 21] - Close friends are a valuable asset and can point out things that are helpful with your present affairs. Include confidants when making recreational plans.

LEO [July 22-August 21] - Don't allow work to pile up, try to foresee what's ahead so you are in a position to undertake new responsibility. Others tend to look to you for leadership.

VIRGO [August 22-September 22] - You're prone to speculate but don't take chances in important business deals, there's too much at stake. Romantic ventures are favorable so include the opposite sex in plans.

LIBRA [September 23-October 22] - Try to keep family affairs out of business matters as the two don't mix well now. Patience is the key when dealing with obstinate relatives.

SCORPIO [October 23-November 21] - Not a week to remain passive where inventive ideas are concerned. Do the detail work and letter writing that is necessary to communicate your views.

SAGITTARIUS [November 22-December 20] - Investigate new ways and means of increasing income. Use care when discussing new plans with others, trust only those you know well.

CAPRICORN [December 21-January 20] - You tend to be in the limelight more now so work on making a good impression. There's a tendency to spread yourself too thin, concentrate on one thing at a time.

AQUARIUS [January 21-February 19] - Keep clear of those who gossip and spread rumors. Self-fulfillment comes from doing civic work so get involved in a worthwhile project that is rewarding.

PISCES [February 20-March 20] - Social activities has its advantages so accept invitations out. Be expansive and outgoing as others respond favorably to your positive attitude.

Jaycee Week: Jan. 16-22.

This week celebrates more than 50 years of community service provided by the members of the United States Jaycees to communities all over America.

We are always looking for more members to strengthen our organization. Our members are in the trades, in education, banking, business, students, and in other fields.

Applications for membership can be obtained from any of our members listed in the roster on this page, or through the following businesses: State Bank of Antioch, the Kodiak, Lyons & Ryan Ford, First National Bank of Antioch, Limerick Lounge, the World Famous Village Pub, Stanley's, Ace Roofing, BJ's Fashions and Century 21.

Our meeting this month is at Osborne's Resort on Grass Lake Rd., 8 p.m. on Thursday, Jan. 27.

- Bill Anderson, Internal Vice President

The Jaycee Creed

We Believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

The Jaycee Creed is the best statement of Jaycee goals.

Nationally there are more than 330,000 Jaycees between 18 and 35 years of age in 7,000 communities throughout America.

In conjunction with Jaycee Week "10 Outstanding Young Men" are receiving national recognition in Las Vegas, Nev. In past years those who received this award included John F. Kennedy, Gerald R. Ford and Bart Starr.

The Jaycees were originally formed in 1915 by 32 young men in St. Louis interested in organized community service. Programs conducted now by local chapters vary but are concerned primarily with some of the following national programs; Drug and Alcohol Abuse, general human improvement, crime, youth, health, energy and environment, safety and government affairs.

During World War II over 85 percent of Jaycee membership served, while those remaining home were active in scrap iron drives, selling war bonds, helping in USO centers, etc.

The Jaycees formed an International Organization called JCI in 1944. In 1947 a National War Memorial Headquarters to honor Jaycee dead was built in Tulsa, Okla.

For many years the name Junior Chamber of Commerce was used. However, in 1965 it was dropped in favor of the term "Jaycees." The Jaycees were no longer only businessmen but young men from many fields.

External Directors, Lou Korom and Chuck Balmes.

THE ANTIOCH JAYCEES, during Maxwell St. Days, brought some fun to town, and a fund-raising project at the same time, when they put up a dunk tank outside the Limerick Lounge. Civic leaders (such as Police Chief Jack Wells, pitching in the top photo) and children enjoyed the fun. The Antioch Jaycees are on the grow, and this is their week, Jan. 16 to 22, for gaining new members.

Local Emphasis

The Jaycees are a young group of men, 18 to 35, who care about Antioch. The Jaycee Concept or main thrust of Jaycees has three parts: community service, individual development, and management training. It is symbolized by the triangle, the strongest of geometric figures (see below).

The Antioch Jaycees were originally founded in 1961. They were re-established in 1972 by a group of young men led by Tony Starcevic. Their major community contribution since then has been the playground equipment in the Doc Jensen Park.

Since June, the major objective has been to increase the Jaycees' membership beyond 50. This would involve more young men in Jaycee development programs and benefit the community through their work.

Members have been involved in the following programs: sponsor-

ship of a Little League team, the Fourth of July parade, Village Bicentennial Project, Cubs trip for area youth, charity softball games, Cancer Bike-A-Thon, Santa phone, and the sponsorship of the Hugh O'Brien Leadership Seminar for an outstanding sophomore at Antioch High School.

Major fund raising projects are "Highway Holdup," Maxwell Street Days Dunk Tank, "Rose Day," "Cubs Exhibition" and "Las Vegas Night."

The Jaycees offer the men in the organization the opportunity to develop themselves through courses, such as Personal Dynamics, Leadership Dynamics, and Communication Dynamics. Members receive management experience through the co-ordination of projects and holding an elective office with the Antioch Jaycees.

The Jaycee Concept

State and National Emphasis

The Jaycees' state objective is to establish a statewide camp for crippled children. The camp should be off the ground this summer. Major fund raising projects have been Rose Day, various coloring books, and "Jaycee Jelly."

The state is divided into districts and larger regions. The Antioch Jaycees are in the Great North Region, basically the area north of Chicago, and a district which includes chapters in Lake Villa-Lindenhurst, Round Lake, Grayslake, Cary Grove and Fox Lake.

The Antioch Jaycees

are now rated by the state organization the highest it has ever been. Antioch ranks 4th of more than 65 chapters in cities between 2,500 and 5,000 in population.

The only chapters in this population group rated higher all had more than 80 members.

Softball In Winter

Yes, we know it's hard to believe, but there will be a softball tournament near Antioch on Saturday and Sunday, Feb. 5-6.

Dug Out Park in Trevor is hosting its 3rd annual Snowball Tournament.

The game is played with red, white and blue 16-inch softballs and car tires for bases.

"The more snow, the better!" said Tom Furlan.

Entry fee for the tourney is \$25 with trophies for the top two teams and half-barrel of beer for all participants after the championship game.

To reserve an opening after Saturday, Jan. 22, call (414) 862-9136 or (312) 395-5788.

The tourney is open invitational and single elimination.

"Softball meetings for 1977 leagues will be held Feb. 9 for men's 16-inch, Feb. 10 for women's 16-inch and Feb. 16 for men's 12-inch," Furlan said.

Freshmen Wrestlers Are 13-1

Antioch's freshman wrestling Sequoits rolled on last weekend by trouncing Jacobs High School by a score of 60-12.

Leading the Antioch attack with pins were Dave Unrein (1:26), Rob Crowell (1:34), Scott Petersen (5:06), Phil Bielawski (1:35) and Mitch Lasco (1:20).

Steve Cooper won two matches at 119 pounds and Scott Buxton was 1-1 at heavyweight with both wrestlers gaining valuable experience wrestling for the junior varsity.

The freshman wrestlers are 13-1 for the year as a team. Listed below

are some of the records of team leaders:

Dave Unrein (14-1), Chuck Bogaerts (18-0), Mark Abear (10-6-1), Mitch Case (15-5-1), Mitch Lasco (11-5), Jim Davis (12-6), Mike Fox (14-4), Scott Petersen (15-1) and Scott Buxton (6-3).

This Thursday the Sequoits will play host to conference rivals from Warren and Cary-Grove. Wrestling will start at 4:30 p.m.

The two meets are important to the Sequoits because they are both league matches, and Antioch is currently one-meet behind league-leading Grant.

Wrestlers Score 2 One-Sided Wins

Antioch High's varsity wrestlers easily demolished Stevenson 50-9 and Jacobs 46-15 in a double dual meet on the home mats last Saturday.

Scoring two pins each for Coach Ted DeRousse's Sequoits were John Gibson and at 98 pounds and Marvin Gibson at 119.

"The dynamic brother duo are still underclassmen," DeRousse pointed out.

Other double winners for Antioch were Bob Gossman at 105 pounds, Jeff Gross at 112, Randy Larsen with two 9-1 major decisions, Dan Otten at 132 pounds and John Kakacek at 138 with a pin and a superior decision.

Also: Keith Kaht at 145 pounds and Rich Gorski at 167.

THE SEQUOIT WRESTLERS travel to Cary-Grove Friday for a double dual meet with that school and Warren. On Saturday Antioch will perform in a triple dual meet against Rockford, Boylan, Freeport and McHenry. The combat will be at Rockford.

Antioch now has a 6-2 record in conference matches and is 9-3 for the season.

The junior varsity team is now coached by Rich

Brown, a new teacher at Antioch High School. He replaces Tom Scheiss who resigned from the faculty to enter private business.

Brown's Jayvees will travel to Cary-Grove and Freeport this weekend, taking on five different foes.

Antioch 50, Stevenson 9

98 — John Gibson (A) pinned Vignolo, 3:35.
105 — Bob Gossman (A) dec. Wagner, 10-1.
112 — Jeff Gross (A) dec. Jensen, 15-0.
119 — Marvin Gibson (A) pinned Napoli, 4:19.
126 — Randy Larsen (A) dec. Westgaard, 1:22.
132 — Dan Otten (A) pinned Harvath, 1:22.
138 — John Kakacek (A) dec. Pider, 14-1.
145 — Keith Kaht (A) dec. Volsell, 5-1.
155 — Von Besser (ST) dec. Lehn, 4-2.
167 — Rich Gorski (A) pinned Freund, 3:31.
Hwt — Rich Dauck (A) dec. Wagener (ST), 7-4.
Hwt — Jordan Stone (ST) won by forfeit.

Antioch 46, Jacobs 15

98 — John Gibson (A) pinned Quinn, 3:08.
105 — Bob Gossman (A) won by forfeit.
112 — Jeff Gross (A) dec. Rhyner, 6-0.
119 — Marvin Gibson (A) pinned Zauhar, 1:45.
126 — Randy Larsen (A) dec. Brooks, 9-1.
132 — Rich Otten (A) dec. Bersten, 5-3.
138 — John Kakacek (A) pinned Valencia, 3:39.
145 — Keith Kaht (A) pinned Cordello, 3:46.
155 — Kevin Keeling (J) dec. G. Nordstrom, 4-2.
167 — Rich Gorski (A) dec. Schmidt, 10-7.
Hwt — Riskula (J) pinned Dauck, 5-12.
Hwt — Dan Jensen (J) won by forfeit.

Cubs Take to Court In Jaycee Benefit

Can Bill Madlock dribble better than he can hit? Can Steve Stone pitch a basketball better than a baseball?

These athletes, along with Cub teammates such as Ray Burris, Joe Wallis, Jose Cardenal and Rick Reuschel, will be playing basketball Saturday, Feb. 5 at Antioch High School.

Their opponents: the school faculty and friends, sponsored by the Antioch Jaycees. Game time is 8 p.m.

The Pros, coached by former Los Angeles Rams defensive end Gregg Schumacher, will be on hand after the game for an autograph and picture-taking session.

Tickets for the fund-raiser are on sale at most Antioch schools, the First National Bank of Antioch, the State Bank of Antioch, the Limerick Lounge, Smiley's Corner, the World Famous Village Pub and The New Place.

Grayslake Wins at Volleyball

Grayslake won the district volleyball championship last week in the tournament held at Antioch High School.

Grayslake's girls defeated Wauconda in the championship match.

Antioch opened with a victory over Waukegan East, but then lost to Wauconda in the semi-finals.

Basketball Forecasting Was Easy for Some Fans

Some of the Antioch basketball fans sure knew what was going to happen when the Sequoits played Dundee's big, tough team last week.

Dundee won by 12 points. In the Antioch News basketball contest Binky Zeien predicted 11 points and Dave Gutowski said 13.

In the tie-breaker, Antioch's sophomores won by two points, 38-36. Binky came closest and will receive first prize, a \$15 check courtesy of the Thelen Sand & Gravel Co.

Dave will get the second prize, a \$10 gift certificate from Stanely's Men's Fashions in the Antioch Shopping Plaza.

Rodger Kruse and James Bucar tied for third prize, but Rodger came closest in the tie-breaker and will receive a \$5 gift certificate from the Ben Franklin Family Center.

This week's contest appears on page 13. Be sure to enter before 5 p.m. Friday.

Clothing Costs

In a ten year period, Americans have more than doubled the amount of money they spend on clothing. According to government statistics, shoppers in 1984 paid out less than

\$19 billion for women's and children's clothing and \$10 billion for men's and boy's wear. By 1973, spending had jumped to almost \$39 billion and \$21 billion.

No one has a right to sit down and feel hopeless. There's too much work to do.

The Antioch News hopes you have a happy day.

Antioch Cagers At Home Friday

Antioch basketball fans are in for a treat at 8 p.m. Friday.

The Sequoits will play a worthy opponent when Stevenson's Patriots come to town. Antioch needs a win in the home game to boost its season record. The local team, composed mostly of juniors, has won six of its 15 games so far.

Antioch is 3-3 in the Northwest Suburban Conference north division, while Stevenson is the junior in the south division.

"WE NEED TO play with more intensity," said Coach Roger Andrews. "Too often we let teams build a big lead, then go to work and do a good job. We can do the job, but we must start at the beginning of the

game."

Andrews praised his team, saying: "It never quits. They fight hard and hustle well. Soon, we will really hit the right stride. I have a lot of faith in these young men. Tim Huebner had a fine game against Dundee last week and Bill Dubek played much better, really being involved in the game."

HUEBNER HIT on six of 13 field goal attempts and also swished four of five free throws to lead Antioch with 16 points. He also led the team in rebounds with nine, while Dubek collected six.

On Saturday night, the Sequoits will play at Jacobs, a new member of the conference.

Freshmen Down Dundee

Antioch's freshman basketball team traveled to Dundee Saturday and came away with a big 66-38 victory. The win was the sixth for the team against five losses; their conference record is 4-2.

THE GAME was never in doubt as the young Sequoits jumped out to a 12-0 lead in the first two minutes of play. A very effective zone press kept the Cardinals off their game by causing frequent turnovers.

Ten different players scored for Antioch, led by Kurt Selak with 12 points. Chris Kempinski dropped in 11 points though he played only two periods.

Denis Flaschner added 10 points, Mike Anderson and Todd Coulter each had eight, and Jim Weise chipped in seven.

OVERALL THE Sequoits shot a hot 58 percent on 29 baskets in 50

attempts.

In the rebound department, Flaschner led the team with 10; Weise had seven, Anderson handed out six assists and Selak had four.

FRESHMAN COACH Norm Hahn, pleased with the performance of the team, said, "This is the type of play I have been expecting from this team."

"Every player did what he was supposed to do," he continued. "Except for free throws, I can't think of any phase of the game that we didn't do correctly."

THE ANTIOCH "B" team also won big, 68-43.

Ron Nauman led the team in scoring with 15 points. Thirteen players scored in the contest, again indicating great team play.

It was the sixth win against only two losses for the team.

Dundee Takes 16-1 Lead, Then Outlasts Sequoits

By MIKE WITT

A team that wants to be successful has to win on the road.

And it's twice as hard to do when the home team jumps to a fast start.

That's the fate the visiting Sequoits suffered as the home team, the Dundee Cardinals, roared to a 16-1 early advantage and went on to win 65-53.

Things won't get easier. This Friday night the Sequoits put their perfect 4-0 home record on the line as they host the conference-leading Stevenson Patriots. Stevenson is unbeaten in conference play, and has already recorded a win over Dundee. The Patriots defeated Round Lake 72-50 last weekend.

STEVENSON HAS GOOD solid ball players in Andy Farrissey and Barnett. But the big gun is 6'4" senior Mark Cordes, who is the conference scoring leader.

If the Sequoits hope to be successful against Stevenson, they'll have to shut off Cordes much better than they handled Dundee's star, Dave Miller.

Miller scored 25 points, including 21 in the first half, by burning the nets on 10 of 12 attempts from the floor. He led his team to a 37-18 halftime lead.

Dundee extended its lead to 53-28 after three quarters, and the scrubs finished out the ball game for both teams.

WHAT HAPPENED?

"We got hit with strong muscle, crisp passing, good shooting (52 percent), good rebounding (39 for Dundee to 27 for Antioch), and they used their

physical size to a great advantage," observed Coach Roger Andrews.

That will do it everytime.

But the night wasn't as bad as it might seem.

TIM HUEBNER SCORED 16 points and collected nine rebounds. Bill Dubek and Brian Andrews played steady ball, and certain strong points were present as usual.

The team is always hustling, never quitting, working hard on defense, and flashing individual signs of good basketball on offense and defense.

The Sequoits trailed by as many as 25 points, but they whittled it down to eight late in the game, and Dundee was forced to re-enter its starters to preserve the victory.

But naturally, after such a defeat, some weak signs are bound to show.

COACH ANDREWS NOTED, "Our intensity at the beginning of a game is poor. It's not until we fall behind that we begin to come alive. We have to learn to use our physical size to our advantage. But our biggest problem seems to be our inconsistency."

The Sequoits' road record is a point of interest.

It may only be a coincidence of scheduling and not mean much, but away from home their record stands at 2-9.

Their conference record stands at 3-3, and a third place spot in the North Division.

Coach Andrews believes this team has a lot of fight in it, and one only has to look back on the season to see it's true. A victory over Stevenson would sweeten the sour taste of this loss - but for sure the Sequoits are going to need all the fight they can get.

EAGLES

USUALLY LIVE 50 YEARS OR MORE IN CAPTIVITY AND 20 TO 30 YEARS OTHERWISE. THE NEST OF AN EAGLE IS CALLED AN EYRIE. BALD EAGLES BUILD THEIRS ON TOP OF TALL TREES, WHILE A GOLDEN EAGLE PREFERS HIGH CLIFFS. EACH YEAR EAGLES ADD MORE STICKS TO THEIR NESTS SO THAT AN OLD NEST MAY BE 10' WIDE AND 20' DEEP. BABY EAGLES, (CALLED EAGLETS) STAY IN THEIR EYRIES UNTIL THEY'RE ABOUT 3 MONTHS OLD. EAGLES HUNT ONLY DURING THE DAY. THERE ARE 48 KINDS OF EAGLES IN THE WORLD. THEY'RE FOUND ALL OVER EXCEPT THE ANTARCTIC. THE U.S. CHOSE THE BALD EAGLE AS ITS NATIONAL BIRD IN 1787. FEMALE EAGLES ARE LARGER THAN MALES.

No place affords a more striking conviction of the vanity of human hopes than a public library.

OBITUARIES

Arthur Wegner

Mr. Arthur P. Wegner, 67, of Antioch passed
away Thursday, Jan. 13 at his home. He was born
Oct. 9, 1909 in Chicago and had lived in Edison
Park, Ill. before moving to Antioch 12 years ago.
He married the former Helen Van Horn on Aug. 10,
1935.

Mr. Wegner was a graduate of DePaul
University Law School and served in the U.S.
Army during W.W. II. He was a member of the
Antioch Lions Club, Phi Alpha Delta Law
Fraternity and St. Stephen Lutheran Church.

He formerly worked at the John Sexton and Co.
and St. Paul Federal Savings & Loan Co. in
Chicago and the Expanda Foam Inc. of Antioch.
He was preceded in death by one brother.

Survivors are his wife, Helen; one son, Richard
(Sherre) Wegner of Oregon; one daughter, Mrs.
William (Arlene) Eckert of Antioch; one sister;
two sisters-in-law; five grandchildren.

Funeral services were held Monday at the
Strang Funeral Home in Antioch. Interment was
in Hillside Cemetery. The Rev. Gordon Nasby of
the Edison Park Lutheran Church officiated.
Contributions may be made to the Antioch Rescue
Squad in memory of Mr. Wegner.

Florence Eppers

Florence W. Eppers, 79, of Antioch, passed away
Tuesday, Jan. 11, at Condell Hospital. She was
born June 22, 1897 near Burlington, Wis.

She lived in Kenosha Co. for many years until
moving to Antioch 35 years ago. She was a
member of St. Peter's Church. She married
Raymond Eppers Oct. 22, 1916 in Brighton, Wis.
and he preceded her in death Sept. 10, 1962.

Survivors are seven sons: Leith (Leona) of
Antioch; Francis (Genevieve) of Waukegan,
Robert (Mary Ann) of Texas, Richard (Barbara)
of Chicago, Lyle (Doris) of Texas, Rayfield
(Carole) of River Grove and John (Joanne) of
Wis.; three daughters: Mrs. Lester (Carolyn)
Chinn of Antioch, Mrs. Otto (Audrey) Gussarson
of Wis. and Elaine; one sister, Mrs. Elsie
Penneyfeather of Wis.; one brother, Floyd Schultz
of Waukegan; 38 grandchildren and 28 great
grandchildren.

A funeral mass was held last Friday at St.
Peter's Church. Interment was in Mt. Carmel
Cemetery in Antioch. Arrangements were made
by Strang Funeral Home of Antioch.

Max Miller

Mr. Max C. Miller, 78, of Little Silver Lake near
Antioch, passed away Jan. 14 at Victory Hospital.
He was born June 27, 1898 in Chicago and lived
there until moving to Little Silver Lake in 1965.

He was a member of the Fox Lake Baptist
Church. He retired 13 years ago as a brick layer
and stonemason. He belonged to the United Order
of Brick Layers & Stone Masons International
Union Local No. 21.

He married the former Martha Schwarz on June
12, 1920 in Chicago.

Survivors are his wife Martha; two sons, Donald
Miller of Chicago and David (Patricia) Miller of
Lake Villa; one daughter, Lorraine Miller; one
sister and five grandchildren. He was preceded in
death by two brothers and one grandson.

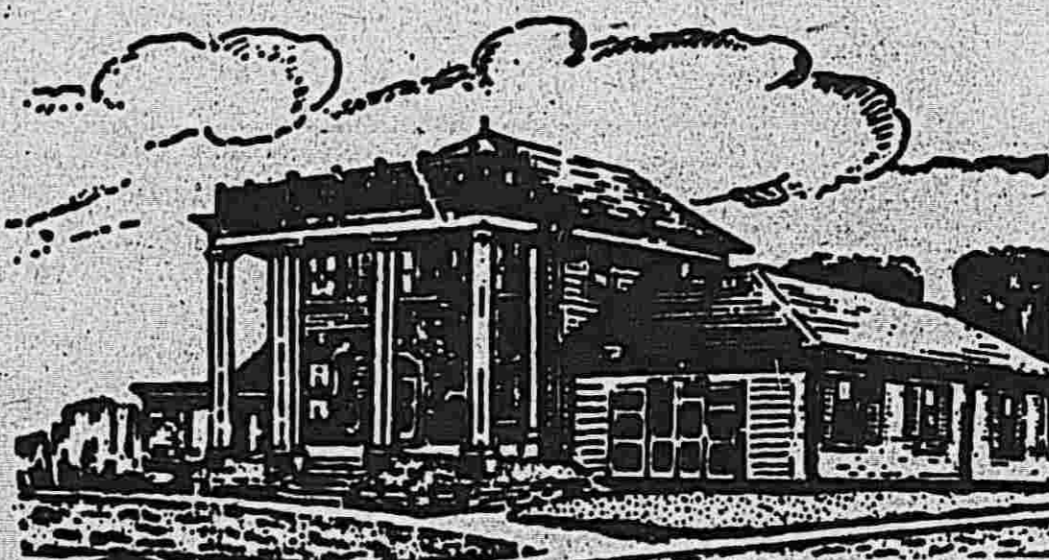

Funeral services were held Monday at the
Strang Funeral Home in Antioch. The Rev.
Howard T. Olson of the Fox Lake Baptist Church
officiated. Interment was in Highland Memorial
Park. Donations may be made to the Fox Lake
Baptist Church in his memory.

State Bank of Antioch 2,
Bob's Septic Service 1.

Herbed Biscuits
To make herbed biscuits, add
1/4 cup chopped parsley or chives
to sifted dry ingredients when
making baking powder biscuits.

Along the way with ANNIE MAE

Guess what!

More folks from Antioch have been invited to
tomorrow's presidential inauguration. Mr. and
Mrs. Stanley Kupryn of Oakwood Drive received a
"y'all come," but won't be able to make it.

SOME PEOPLE get all the breaks. Take Mark
Pritchard, Antioch High School junior.

Back in September, he broke his leg in an
accident. He spent nearly three months in traction
and was released from the hospital just in time for
Christmas.

He started back to school after the holidays, but
was only there for a half day: he slipped and broke
the limb again.

He will be recuperating at home for quite a while
- we know he would appreciate hearing from you.

IF YOU'RE WONDERING how to write press

releases for the Antioch News, we have some
helpful hints.

It's vital that articles be turned in by noon
Monday, preferably typed and double-spaced.

Report in straightforward, objective para-
graphs. Don't use all capital letters or capitalize
unnecessarily.

MUCHO BIRTHDAY wishes to send this week.
This is Jeff Gutowski's big day; tomorrow, Clem
Haley's.

And don't forget that the 24th is Linda Walker's
birthday. She does a great job as our ad manager
and we might even promise not to guess her age
next Monday!

Hope Sandi Stewart of Four Squires had a happy
birthday yesterday.

RECEIVED GREETINGS from a Loon Laker.

GENERAL REVENUE SHARING

ACTUAL USE REPORT

7

GENERAL REVENUE SHARING PROVIDES FEDERAL FUNDS DIRECTLY TO LOCAL AND STATE GOVERNMENTS. YOUR GOVERNMENT MUST PUBLISH THIS REPORT ADVISING YOU HOW THESE FUNDS HAVE BEEN USED OR OBLIGATED DURING THE YEAR FROM JULY 1, 1976, THRU DECEMBER 31, 1976. THIS IS TO INFORM YOU OF YOUR GOVERNMENT'S PRIORITIES AND TO ENCOURAGE YOUR PARTICIPATION IN DECISIONS ON HOW FUTURE FUNDS SHOULD BE SPENT. NOTE: ANY COMPLAINTS OF DISCRIMINATION IN THE USE OF THESE FUNDS MAY BE SENT TO THE OFFICE OF REVENUE SHARING, WASHINGTON, D.C. 20228.

(F) THE NEWS MEDIA HAVE BEEN ADVISED THAT A COMPLETE COPY OF THIS REPORT HAS BEEN PUBLISHED IN A LOCAL NEWSPAPER OF GENERAL CIRCULATION. I HAVE A COPY OF THIS REPORT AND RECORDS DOCUMENTING THE CONTENTS. THEY ARE OPEN FOR PUBLIC SCRUTINY AT 874 Main St Antioch, Ill. 60002

Tom Hollatz, a Chicago Tribune picture editor, also sent a clip from his latest book, "Guides of the Wisconsin Northwoods."

Tom learned to fish here and has always enjoyed the Antioch area. His book is released through Wisconsin Sportsman, Oshkosh.

WE'RE HAPPY TO HEAR that Mr. and Mrs. John Coia are making their home in Antioch, following a honeymoon in Wisconsin.

Mrs. Coia is the former Barbara Sander, the daughter of Mr. and Mrs. Joseph Sander of Antioch. John is the son of Mr. and Mrs. Tony Coia of Lake Villa.

They were united in marriage at Faith Lutheran Church by Rev. Kent Schroeder.

The new Mrs. Coia, who was graduated from Carthage College in Kenosha, Wis., teaches first grade at Grass Lake School. Her bridegroom is employed by E. L. Koenig Construction Co. in Lake Villa.

NOTICE THAT I haven't mentioned the weather at all? Annie couldn't resist sharing this chart, though, which gives U.S. Army computation of the wind-chill factor.

	No	5	10	15	20	25
Temp.	Wind	m.p.h.	m.p.h.	m.p.h.	m.p.h.	m.p.h.
30	30	28	18	9	4	0
20	20	18	4	-5	-10	-15
10	10	6	-9	-18	-25	-29
0	0	-5	-21	-36	-49	-58
-10	-10	-15	-33	-45	-53	-59
-20	-20	-28	-48	-58	-67	-74
-30	-30	-36	-58	-72	-81	-88

Talk about an icy stare!
